BOOKS | Spectacular Homes of New England (Panache Partners, 2007) takes readers on an armchair tour of some incredibly gorgeous homes throughout our region—but it doesn't stop there. This beautiful new book follows in the footsteps of other titles by the custom publisher and tells the stories behind the talented designers whose works are showcased. Inside you'll find inspiration and meet some of the area's top interior designers and decorators. *Spectacular Homes of New England* is as much about fine home design as it is about the gifted people who create beautiful interiors—what they think, how they work and what inspires them. Featured designers from Connecticut include Connie Beale, Kat Burki, Marti Easton, Julie Holzman, Stephanie Koch, Sharon McCormick, Robin McGarry, Suzanne Novik, Linda Ruderman-Rosier, Joyce K. Shortell and Victoria Vandamm.
